

# 2010 NA-MIC Sponsored 3D Slicer Training Event

**Friday, April 9**

## NA-MIC Overview Lecture

**Time:** 12:00 pm  
**Lecturer:** Ron Kikinis, M.D.  
**Building:** Eckstein Medical Research Building  
**Room:** 283 - Seebohm Conference Room

## Radiation Oncology Research Seminar

**Time:** 4:00 pm - 5:00 pm  
**Lecturer:** Ron Kikinis, M.D.  
**Building:** Pomerantz Family Pavilion  
**Room:** 01600 - Radiation Oncology  
Conference Room

## Neurosurgery Research Seminar

**Time:** 5:00 pm - 6:00 pm  
**Lecturer:** Sonia Pujol, Ph.D.  
**Building:** John Colloton Pavilion  
**Room:** 1603 - Neurosurgery

**Saturday, April 10**

## Training Session - Slicer Applications

⇒ *Diffusion Tensor Imaging*  
⇒ *Change Detection & Tracking*  
**Time:** 9:00 am - 4:30 pm  
**Building:** Seamans Center  
**Room:** 2217

## Training Session - Slicer Development

⇒ *Programming Using 3D Slicer*  
⇒ *Command Line Modules*  
**Time:** 9:00 am - 4:30 pm  
**Building:** Seamans Center  
**Room:** 2229

**Linux laptops will be provided. If you would like to bring a personal laptop, please have Slicer3.4 installed prior to the workshop.**
